

# Objectives

The objectives state the specific targets that are set for learning. They define what students will be able to accomplish as a result of their studies.

## MYP community project objectives

The objectives of MYP projects encompass the factual, conceptual, procedural and metacognitive dimensions of knowledge. Listed below are the objectives of the community project specifically.

### **Objective A: Investigating**

Students should be able to:

- i. Define a goal to address a need within a community, based on personal interests
- ii. Identify prior learning and subject-specific knowledge relevant to the project
- iii. Demonstrate research skills

### **Objective B: Planning**

Students should be able to:

- i. Develop a proposal for action to serve the need in the community
- ii. Plan and record the development process of the project
- iii. Demonstrate self-management skills

### **Objective C: Taking action**

Students should be able to:

- i. Demonstrate service as action as a result of the project
- ii. Demonstrate thinking skills
- iii. Demonstrate communication and social skills

### **Objective D: Reflecting**

Students should be able to:

- i. Evaluate the quality of the service as action against the proposal
- ii. Reflect on how completing the project has extended their knowledge and understanding of service learning
- iii. Reflect on their development of ATL skills

Students will use the presentation of the community project as an opportunity to demonstrate how they have addressed each of the objectives. Students will be expected to communicate clearly, accurately and appropriately.
